

ADMISSION GUIDE 2022-2023

GOODTIME CHINESE SCHOOL

Goodtime Chinese School(GTCS), established in September 2009, Portland Oregon, has staffs with teaching experience in Chinese-English bilingual education, math, science, social study, music, art, etc. GTCS has a strong teaching team that is dedicated and responsible for their work, as well as a well-equipped facility. GTCS has achieved greatly in Chinese-English bilingual education and has had positive evaluations from parents and the surrounding community. To satisfy the local growth of Chinese-English bilingual education, the Admission Guide (2022-2023) for Chinese-English Bilingual Preschool and Elementary School (K-5) is issued below.

Our goal is to be a K-5 elementary school and to do so we will be implementing a new grade level yearly until this is achieved. We will have 5th Grade in 2022-2023 school year and our goal will be achieved. Every April, before graduation, 5th Grade students will participate in a two-week trip to China. During the trip, their Mandarin learning experience culminates in a home-stay with a host family, a few days in a school in Beijing, and some sightseeing in Beijing, Xi'an, Chengdu and other cities. Objectives include the students using Mandarin, experiencing Chinese culture, and traveling with friends as a conclusion to their years here at GTCS.

TEACHING FEATURES AND SCHOOL LIFE

1. Chinese: Immersion teaching. Emphasis Chinese characters learning, reading, recitation and Chinese calligraphy.
2. English: Immersion teaching. Emphasizing in reading and writing comprehension, various textbooks are carefully selected for each student's level.
3. Math: Goodtime creates Chinese-English math teaching mode. Native Chinese speaking teachers teach K-2 Math with a textbook published by Renmin Education Press, Mainland, China. Native English-speaking teachers teach K-5 Singapore Math, a series textbook published in Singapore. This method has been shown to have a beneficial effect through testing and feedback from parents.
4. Goodtime also organizes Chinese and American cultural activities, so the students can enjoy diverse cultures.
